Message From The President:

On behalf of all the Fil-Am members, I applaud you ATING LAHI DANCE GROUP for your selfless efforts and dedication in providing your time and energy to learn the Filipino cultural heritage folkdances.

You are the future leaders of tomorrow.

You are all doing a great job !

You just embarked on a big responsibility in keeping up with your grades, school activities and chores at home.

You are now challenged to excel, physically, and academically. Stand tall, we owe this opportunity from your loving parents, who drive you to practice three times a week.

To the Parents: Your support is greatly appreciated.

To the Choreographer & Director, Danny Motas: None of this youth program will prevail without you.

To all Members of Fil-Am: Thank you all for your continued support. Let us lift up one another in spirit of unity, the spirit of bayanihan, and the Spirit in God's favor . Join me to welcome our new members !

To all Fil-Am friends and guests: Your comradeship and support provide meaningful peace and harmony.

To all: Mabuhay and God Bless!
